

**Dear Volunteer,**

**Welcome to Hannah House,**

**You are now part of a vision that is continually being fulfilled. You were prayed for before you even thought about becoming part of this life changing team.**

**In 1993 a group of people met to begin the journey of meeting the needs of women in crisis situations. Hannah House became a reality in August of 1997, after many dangers, toils and snares.**

**We are devoted to the infallible Word of God, knowing that when these hurting women learn the truth, they will be set free.**

**The purpose of Hannah House is to provide help to young women whose needs are not being met in their present situations. We are dedicated to providing quality and comprehensive services and assisting each resident toward achieving functional independence in the community.**

**We are an alternative to abortion. By restoring and nurturing young women through the love and mercy of Jesus Christ, we will assist in protecting the right of the unborn child to the gift of life.**

**These actions include, but are not limited to providing: a caring home environment, nutritious meals, counseling (personal & professional), assisting in obtaining medical care and maintenance of personal needs.**

**You are now part of the answer to help hurting women.**

**Welcome Aboard!**
